<div class="home">
    <div class="homebox" style="color: #97a2af    ;">
        <br><p>Established in the year 2004, the Acme Ceramics has emerged
with development in design and technology. Its leadership is marked by many successful
challenges our incessant pursuit of excellence. Company have reported 35% growth rate from
2004 to 2014 in just 10 years, it is India's fastest growing ceramic, vitrified tile company and
considered among the world's best ceramic tile manufacturing companies.<br><br>

```

Acme Group has managed by young entrepreneurs, Who have an esteemed knowledge of industry. At Acme we understand the changing needs of ceramic industry. From Elegant Wall Tiles & Floor Tiles to decorative elevation tiles.

The ACME GROUP is recognized for its exquisite new collections which bears the exceptionality of high definition digital printing. We have quality since long and for eternity, we believe in uninterrupted modernization and consolidation of service. Being a prominent exporter and supplier, our accessibility, unswerving supply and sensible pricing charms national and international clients bearing in mind that our ceramic products are premium in all aspects.

The industry enjoys the unique distinction of being exceedingly indigenous with an abundance of raw materials, technical skills, infrastructural facilities despite being reasonably capital intensive. As the consequence of this continued growth, now Acme Group is the key drivers for all ceramic tiles in India. With our technology advancements many new tile designs and tile applications are available for both home owner and commercial facilities situated in the nation as well as at international entity. This is a promise that here a wide range of excellent and designer entities will amaze you in all the way.</p>
